

## Scholarship Application

At the NJ School of Woodwork, our mission is to grow the craft through instruction and hands-on experience in a friendly, relaxed environment. The Dan Mushrock memorial Scholarship Fund was created to ensure that everyone who shares our passion for woodworking is able to enroll in classes. We believe no one should be denied the opportunity to learn the craft due to financial circumstances.

Each calendar year 6 Scholarships of \$125 will be awarded to individuals who demonstrate a genuine interest in woodwork. The entire award must be applied toward the purchase of a class or classes offered at the NJ School of Woodwork within one year of notification. No cash will be provided. Only one scholarship per year, per household, will be awarded

To apply for the Scholarship award, answer each of the following questions and submit the completed application via email at [Scott@NJSOW.com](mailto:Scott@NJSOW.com) or by mailing a copy to 37 East Washington Ave., Washington, NJ 07882. Applications are accepted year-round. For assistance, call Scott at 908-303-6648.

1. Tell us a little about yourself and why you are interested in woodworking.

2. What experience, if any, have you had with woodworking? What do you already know how to do?

3. What do you want to learn? Why is this important to you?

4. What else would be helpful for us to know when considering your application?
